Miss Fannie Wilson

Tyler Texas

Dear Fannie I received your letter
and was glad to hear from you
and I am very sorry to hear
of your hard luck but hope you will
soon recover well if I buy one a farm
I will let you know you know I
will have to have a cook if I move on
a farm and I will announce my-
self as a candidate for matrimony
if anyone will accept, I will then
proceed to go ahead with my occupation
as I have always have done. Well I
hope I am mistaken about you
liking the Texas Boys better than
the Arkansas Boys I truly hope
you will not forget old Arkansas
over
